ABOUT US

Erbatur Company is a Turkish multinational company that specializes in cosmetic packaging was founded in 2008. Since then, **Erbatur's** operations have been growing day by day and the company became one of the leading players in Turkish cosmetic sector.

Erbatur is famous in the industry for it's high quality products, timely and excellent services. We always keep main products in our stock ready for our clients' immediate needs. In addition, we provide wide range of bespoke products and services to meet our clients' needs. Our product line includes but not limited to Special Perfume Bottles, Tube Bottles, pump, collars... etc. in a variety of colors and sizes.

Please do not hesitate to contact us if you have any question or need anything regarding our products and services.

Thank you.

Our Mission

To ensure customer satisfaction, to offer quality products and to be a reliable supplier with world-class products, together with our precious employees.

Our Vision

To be one of the most important suppliers of the world in the sector, to ensure continuity as the first choice of manufacturers with service and product quality, to offer quality products without harming health and the environment.

ERBATUR In Numbers

We are growing at an average of 200 percent per year in terms of annual turnover.

We increase our stocks by 50 percent every year.

There is an average of 600 containers entering and leaving our stock per year.

AS A RESULT OF THESE

The biggest advantage of erbatur is that it works with huge amount of stock.

We have an average 350.000 box of products in stock and this stock strength is continuously increasing.

Every month, an average of 50 containers are entry of new stock to our stock.

We provide our customers an opportunity to meet their urgent needs all the time.

We can offer new alternative products to our partners with product diversity.

We aim to follow our company updated by strengthening its exports by participating in international fairs.

CREATE YOUR OWN DESIGN

Create your own design with our bottle configurator. At first choose your bottle, pump and cap. After that color it as your wish and add your logo & design on it.

Scan the **QR CODE** and check our website to create your first design!

Our coating & screen printing factory

In our factory, we do operations such as coating, screen printing, frosting and foiling.

Before we deliver the final product to our customers, we print samples and get approval.

Our coating & screen printing factory

In this way, our customers receive their products completely ready from one place, without dealing with any shipping or coating company!
